- (c) There are no prescribed qualifications, academic or otherwise.
- (d) The Scholarship will not normally be granted to applicants wishing to complete school or undergraduate studies.
- (e) Preference is not given to a Freemason or to a member of his family.
- (f) The value of the Scholarship shall be determined by the Foundation Board of Management who will consider:

- The way in which and the extent to which the endeavour is likely to benefit the candidate and the South Australian or Northern Territory community.
- The lack of opportunity available to the candidate to pursue the endeavour by any other means.
- The number of scholarships and the value and term of each are determined by the Board of the Foundation from time to time.
